

# UNGULATE MONITORING METHODS WORKSHOP

## INFORMATION FOR PARTICIPANTS

June 4 – 6, 2024

ONLINE

**Registration:** Complete the online registration form:

<https://form.jotform.com/241166084098258>. Registration will close at 5 pm MST on May 17. There is no registration fee to participate in the workshop.

**Workshop Website:** Refer to [https://ab-rcsc.github.io/GOA\\_Ungulate-monitoring-methods-workshop](https://ab-rcsc.github.io/GOA_Ungulate-monitoring-methods-workshop) for the most up to date workshop materials, including the agenda.

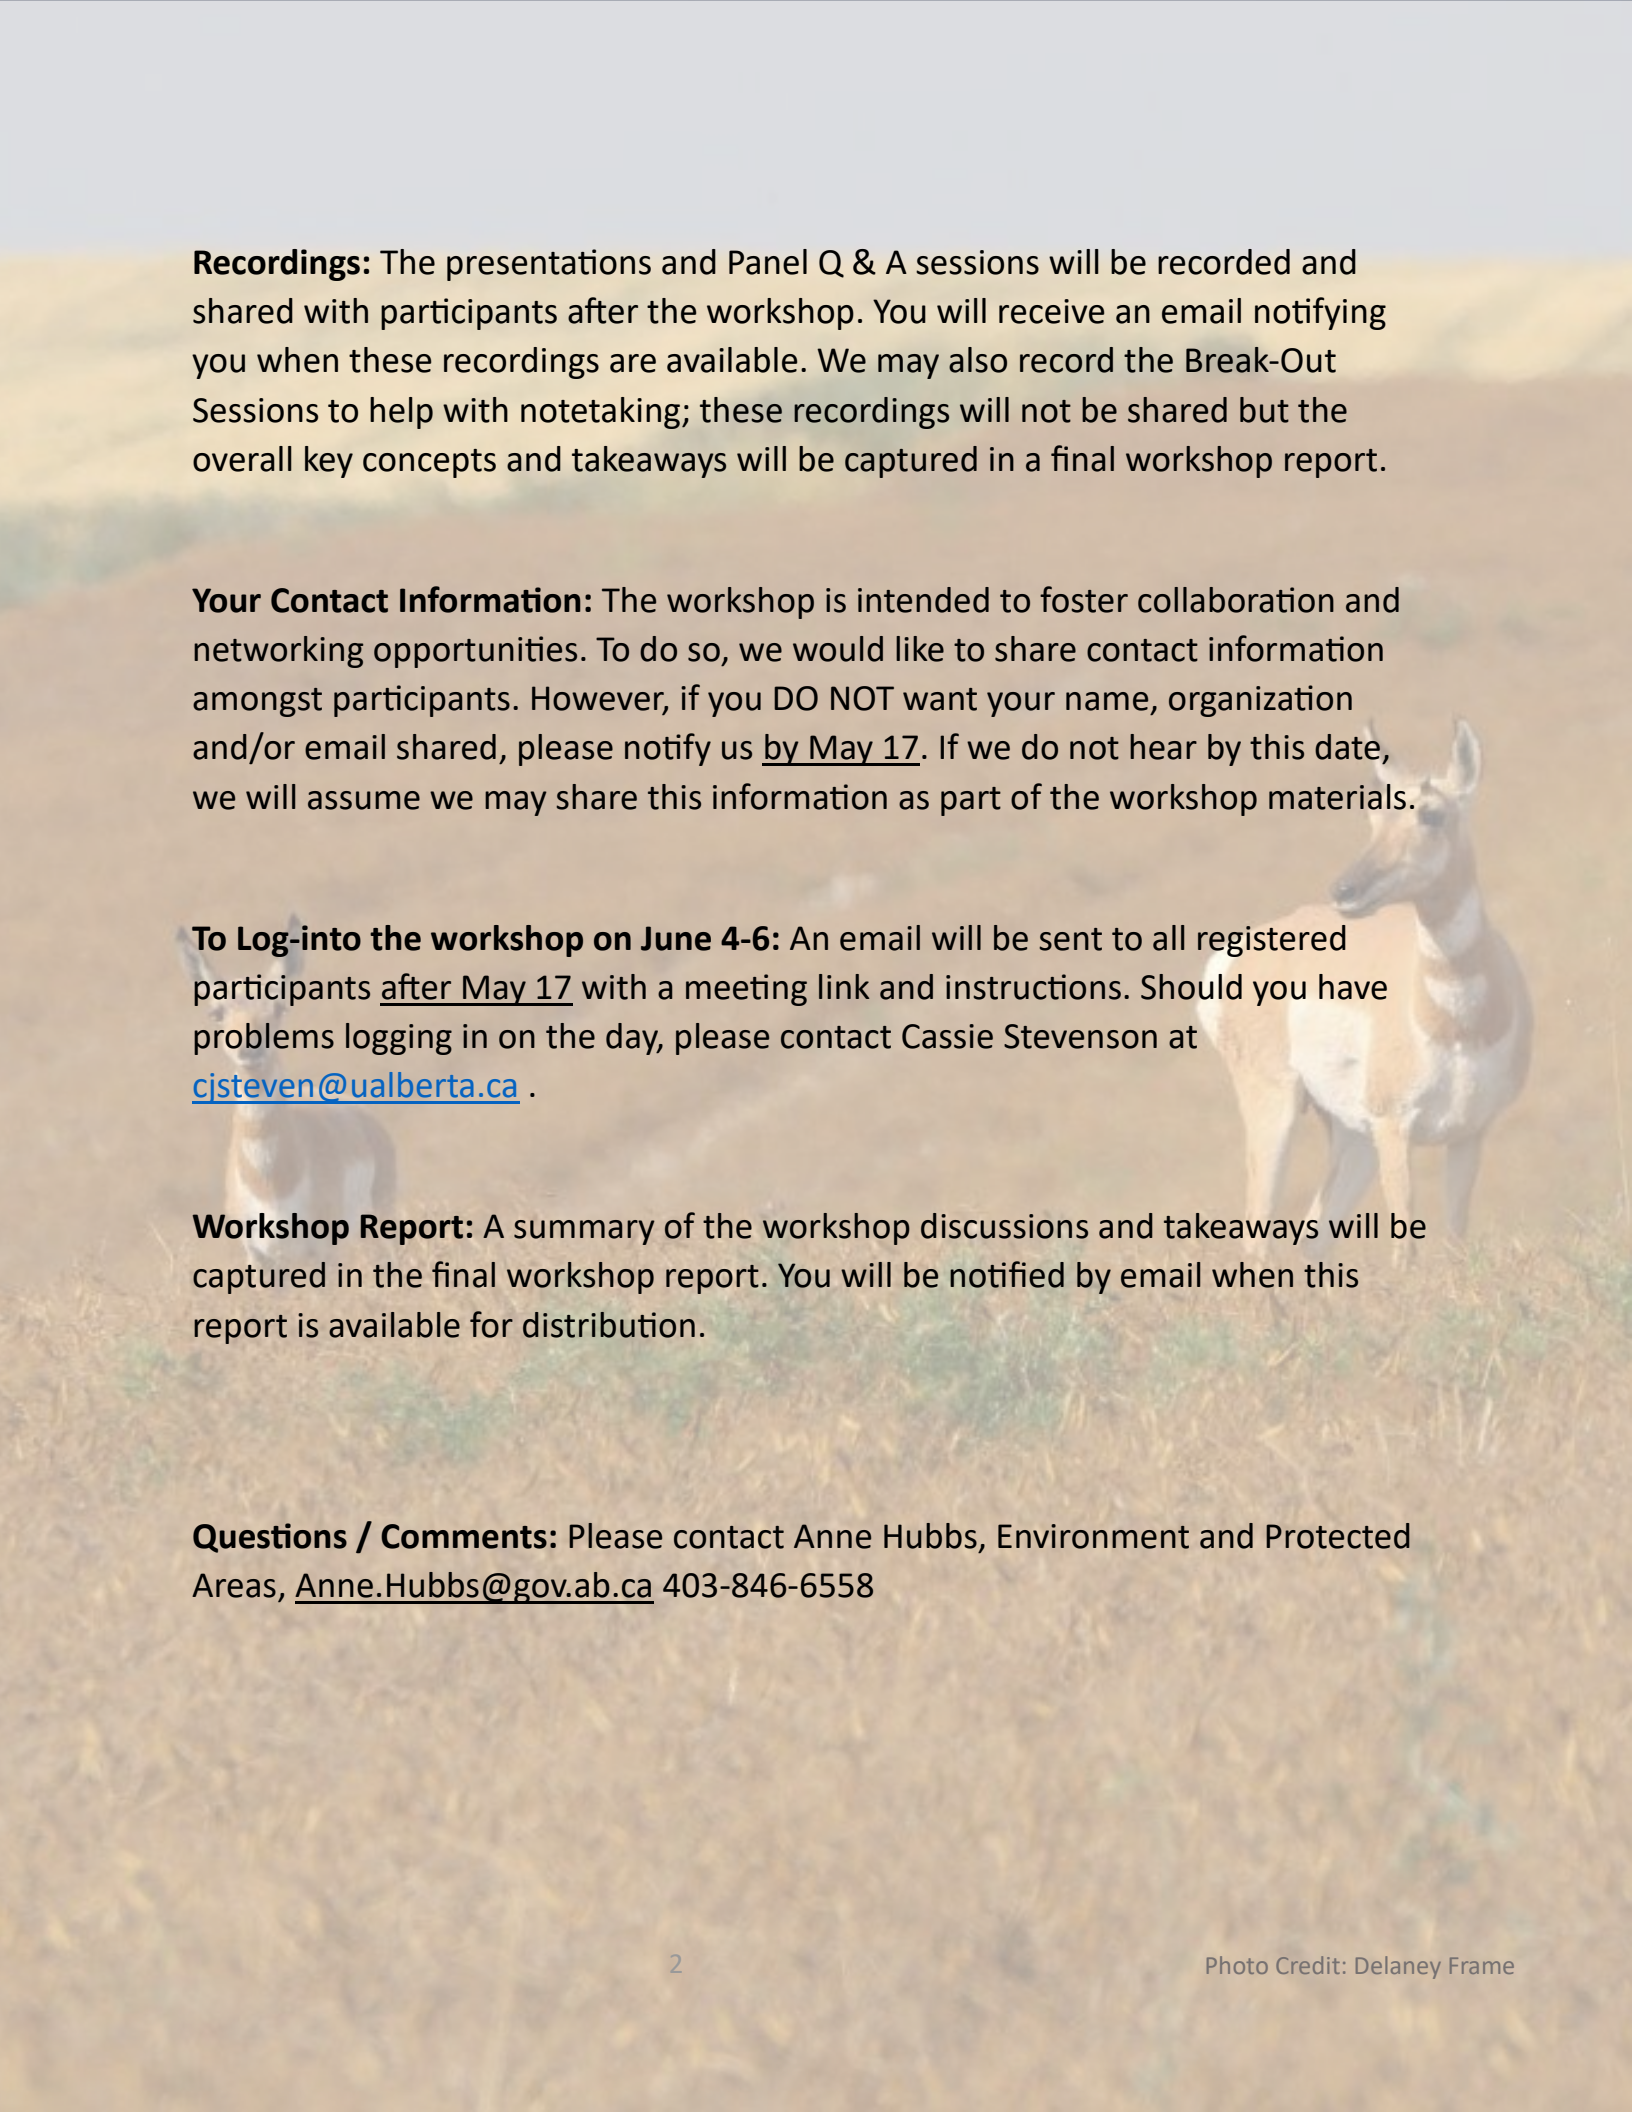

**Workshop Format:** The workshop will consist of short presentations followed by Panel Q & A sessions. During these sessions, participants can ask questions of any of the session presenters by entering their question in the chat for the facilitator to ask.

### **Break-Out Session Sessions:**

Each day there will also be a Break-Out Session where participants are invited to share their thoughts concerning a predetermined question(s). Participants can choose on a given day which break-out session they would like to attend. It is not necessary to pre-register for these break-out sessions.

If you have ideas for other break-out session topics, please email them to [Anne.Hubbs@gov.ab.ca](mailto:Anne.Hubbs@gov.ab.ca) by May 17.

The background of the entire page is a photograph of two pronghorns standing in a dry, grassy field. One pronghorn is in the foreground on the right, facing left. Another is partially visible on the left side. The background is a hazy, open landscape under a light sky.

**Recordings:** The presentations and Panel Q & A sessions will be recorded and shared with participants after the workshop. You will receive an email notifying you when these recordings are available. We may also record the Break-Out Sessions to help with notetaking; these recordings will not be shared but the overall key concepts and takeaways will be captured in a final workshop report.

**Your Contact Information:** The workshop is intended to foster collaboration and networking opportunities. To do so, we would like to share contact information amongst participants. However, if you DO NOT want your name, organization and/or email shared, please notify us by May 17. If we do not hear by this date, we will assume we may share this information as part of the workshop materials.

**To Log-into the workshop on June 4-6:** An email will be sent to all registered participants after May 17 with a meeting link and instructions. Should you have problems logging in on the day, please contact Cassie Stevenson at [cjsteven@ualberta.ca](mailto:cjsteven@ualberta.ca) .

**Workshop Report:** A summary of the workshop discussions and takeaways will be captured in the final workshop report. You will be notified by email when this report is available for distribution.

**Questions / Comments:** Please contact Anne Hubbs, Environment and Protected Areas, [Anne.Hubbs@gov.ab.ca](mailto:Anne.Hubbs@gov.ab.ca) 403-846-6558
